

AGAVE MENU

Agave, noun, a succulent plant with rosettes of narrow spiny leaves and tall flower spikes, *native to the southern US and tropical America*. Mostly known for being the grain for *Tequila & Mezcal*

The word has originated from the Ancient Greek word *ague*, which means “*admirable*”, “*illustrious*”, “*brilliant*”.

Here at Little Fires, we worked to build the *best selection of Agave Spirits that you will find anywhere in London*. Not only that but we are the *sole importers of Asuncion Mezcal in the UK*. Agave is all about exploring new and familiar flavours with a *sense of adventure and wonder*.

Not sure what to order? Why not try one of our tasting flights (4 x 15ml) or just ask a team member for a recommendation.

There's an Agave Spirit out there for everyone!

TASTING FLIGHTS

To help and incentivise our amazing guests to explore and try something new or different, we have set a few tasting flights (4 x 15ml)
